## Gives New Life Strengthens the Nerves.

When the blood is impure the whole nervous system becomes poisoned. It is impossible to throw off that terrible depression; and there is no ambition to work. But there is a way whereby you may again be strong and vigorous.

Mr. Charles Richardson, of 37 Howick Street, Launceston, Tasmania, sends us his photograph and the following letter:

"Once my arms were covered with sores that were worse than boils. They were deep-pitted in the flesh and caused great suffering. My blood was in an awful condition. At another time I had a severe attack of influenza, I could neither eat, sleep, nor work, and I never expected to recover."

## AYER'S Sarsaparilla

cured me from both of these violent attacks. The first time it took all impurities out of my system; and the last time it built me up and gave me new life. Now I am strong, work hard, and sleep well."

Ayer's Pills are a safe and sure cure for all liver troubles. They are purely vegetable.

## THE WEATHER FOR THE LAST MONTH

Temperature mean for the month, 58.7 F.; normal, 59.4; average daily maximum, 55.0; average daily minimum, 52.7; average daily range, 12.3; greatest daily range, 20 degrees; least daily range, 3 degrees; highest temperature, 78; lowest, 54. The mean temperature was the lowest on record for February with one exception.

Barometer average, 29.838; normal, 29.947 (corrected for gravity by -.06); highest, 30.11; lowest, 29.48; greatest 24-hour change, 0.22. The above is the lowest average, also the lowest single reading for twenty years. "Lows" passed this point on the 6th and 20th; "highs" on the 15th and 28th.

Relative humidity, 76.5; normal, 74.9; mean dew point, 61.6; normal, 62.5; absolute moisture, 6.07 grains per cubic foot; normal, 6.24.

Rainfall, 7.36 inches; normal, 5.95; rain-record days, 18; normal, 16; greatest rainfall in one day, 2.87; rainfall at Luakaha, 0.45; at Kapiolani Park, 8.28; westerly winds greatly diminishing the usual difference between these two stations.

The Artesian well level rose during the month from 34.02 to 34.37 feet above mean sea level. On March 1, 1900, it stood at 34.05.

Trade-wind days, 5 (3 of N.N.E.); normal number of trade-wind days for February, 15; average force of wind, Beaufort scale, 2.7; cloudiness, tenths of sky, 5.3; normal, 4.5.

Approximate percentages of district rainfall, as compared with normal: Hilo, 65 per cent; Hamakua, 140; Kohala, 250; Waimea, 100; Kona, 400; Kau, 220; Puna, 50; Oahu, not reported; Maui, 350 to 400, very variable; Oahu, average 120, varying from 50 to 200; Kauai, 200 per cent, very variable. Kula, Maui, had 34 inches, against a normal of 4.50; and many places throughout the group, usually almost arid, had torrential downpours. An unofficial report gives 49 inches for 4,100 feet elevation on south side.

Average temperature: Pepeekeo, Hilo District, 100 feet elevation, average maximum, 76.6; average minimum, 63.3; Waimea, Hawaii, 2,750 elevation, 72.1 and 60.3; Kohala, 355 elevation, 78.9 and 66.3; Kula, Kahuna, W. B. Castle, 60 feet elevation, highest 78, lowest 57, mean 65.2.

The main feature of the month was the storm of February 4 to 14. This storm moved up from S.S.W., beginning here with a S.E. gale, which is an unusual direction for storm winds around this group, this wind being called by the Hawaiians "makani kiu." Veering to S.W. after two days, it became a regular "Kona," accompanied by electric storms, barometer sinking to 29.48. The storm seems to have formed a loop in its course, as after moving away, it returned again before finally going to the northward. Turning to the eastward, it appears to have reached the Oregon coast about the 19th. Great damage was done, especially on Maui and on the Kona and Kohala slopes on Hawaii. Snow fell on the Hawaii mountains well below the timber line (7,000 feet).

## IN BED FOR YEARS

DECLARED A HOPELESS INVALID  
BY LEARNED PHYSICIANS

Restored to Perfect Health and  
Strength by Dr. Williams' Pink  
Pills for Pale People—A Most  
Wonderful Cure.

Of the many remarkable cases which have recently occupied the attention of the medical world and of the public at large, none more strikingly illustrates the wonderful power of Dr. Williams' Pink Pills for Pale People than the recovery of Mrs. Jennie Tuttle, who, after two years' confinement to her bed, was restored to perfect health and strength. Mrs. Tuttle, who lives at the corner of Fulton and Market streets, Grand Rapids, Mich., tells the following story:

"I had been flat on my back in bed for two years and the doctors had given me up as a hopeless case. They had resorted to every remedy known to their profession and had even subjected me to the tortures of five surgical operations. My trouble was due to change of life and I grew weaker and weaker until I became helpless and unable to leave my bed. A nurse and four physicians attended me."

"One box of Dr. Williams' Pink Pills for Pale People gave me great relief and after using them for three months I was a well woman, having been able to leave my bed the sixth week after commencing the treatment. I can state that the cure was complete and permanent, as it is now three years since I have used them."

"I have recommended the pills to several of my relatives. My mother-in-law, who is 72 years old, took them for general debility and they soon produced a very marked improvement in her condition. I wish that the thousands of women who are afflicted as I have been may know of this remedy which has saved my life and given me health and strength."

(Signed) MRS. JENNIE TUTTLE.  
Subscribed and sworn to before me this 2nd day of August, 1900.

B. F. BARENDSEN,  
Notary Public.
